

Prayer Over Marriage: Wife

Hebrews 13:4

Heavenly Father, King Mighty Savior

Thank You Father for your unending blessings, favor and love.

Father, my marriage is Yours and I surrender it to You.

May You help me Father God, fulfill my role as a wife and lift

Support this marriage from a place of love, kindness, and patience.

Help me Lord fulfill the virtues of a woman of God and wife to this man that you have blessed me with.

I pray that my marriage would truly reflect Your

Commitment to Us, and the great love you have for Yours. I pray that we would

Be able to put each other before our own selfish desires, and truly see our marriage as

A fulfillment of a commitment to You Father God and Your will.

I pray over my husband Lord. I pray that you continue to provide him

The spiritual strength as he leads our family forward to fulfill

The purpose You have for us. I pray for continued growth in discernment and a divine guidance

That only the Spirit can provide Father. May you bless him, encourage him, and

Allow him to grow deeper in Christ with a hunger for God's purpose.

I pray that together we grow stronger in our marriage and in our relationship, through

Consistent and intentional investment in each other and

With Christ in such a way we become a true testimony to the grace and glory of God's love

And blessing in marriage.

In Jesus Holy Name I pray, Amen.
